Australian National Botanic Gardens

Education Services

at the

**Australian National
Botanic Gardens**

Our programs

Investigate the diversity of Australia's unique native flora, habitats and ecosystems through discovery-based learning activities.

Botanical Expeditions

Our trained presenters take small groups (10-12) of students on a range of themed walks for an hour.

Charge is \$4 per student, max 50 students.

For interstate tours to Canberra, we recommend the 'Around Oz in an Hour' Explainer-led walk.

Twilight Forest Adventure

Join us for a fun evening by torchlight as we discover what creeps about in the canopy after dark.

Charge is \$6 per student, min group charge applies.

Gardens Classroom

Bring your class and stay the day! A program led by Gardens staff with a range of exciting and engaging environmental activities to suit your class.

Charges apply, max 75 students.

DIY Explorers

Download activity sheets from our web site and do-it-yourself for free!

School Holiday Programs

Check our web site for what's on these school holidays.

Our facilities
