

BGANZ Regional Conference, September 2008, Batemans Bay

Botanic Gardens of Australia and New Zealand (BGANZ) is holding a conference for NSW (including ACT) botanic gardens from

**6th to 9th September 2008
at the Eurobodalla Regional Botanic Gardens(ERBC).**

Details, including the program and registration form, can be found on the ERBC website

The Council of the Friends of the ANBG will subsidise those of our members who attend by paying half of the concessional registration fee (\$220). This is subject to a limit on total expenditure of \$3000 which will only apply if more than 27 members attend. This is unlikely to happen.

The conference organisers ask that registration forms claiming the concessional rate be endorsed by, in the case of ANBG Friends, the Secretary (David Coutts) or President (Alan Munns). Members who wish to have registration forms endorsed may leave a completed form in the Friends' mail slot in the Visitor Centre or mail them to the Friends Office. David or Alan will make the endorsement and return them to you by mail.
