

Prorocentrum fukuyoi Sh.Murray & Nagahama

in Murray *et al.*, *Phycol. Res.* 55: 95, fig. 4 (2007)

Type locality: Australia (N.S.W.)

Australian distribution: N.S.W. (Botany Bay, Durras Lake)

Extra-Australian distribution: SE Brazil, France, Germany, Denmark, Kuwait, Japan, Sea of Japan

Note: Grows in sand
