MEDIA ALERT

Tuesday 17 June 2014

Plant material burning at the Australian National Botanic Gardens – Wednesday 18 June 2014

The Australian National Botanic Gardens will be conducting its annual burning of diseased plant material on Wednesday 18 June 2014.

The burning will commence at 7.30 am, with flames extinguished by 4.30 pm.

The Gardens advises that the burning will be supervised at all times and there is no cause for public concern.
