

Spot the bird.

Which of these birds can you see? What are they doing?

Australian Magpie

Crimson Rosella

Red Wattlebird

Spotted Pardalote

Atlas of Australian Birds
Birds Australia.

Hug a tree

And listen. Can you hear it whisper back to you?

Eucalyptus 1 by Gum

Discover...

There are lots of fun activities in this booklet - all centred on the Eucalypt Lawn.

Please stay on the lawn and paths and pick up only dead leaves, bark and fruits from the lawn.

Make your own magic gum tree. Collect some little leaves and some bark and stick them on your tree.

Here are some rules you need to keep in mind:

DON'T PICK
FLOWERS, LEAVES,
SEEDS OR
FRUIT

STAY
ON THE PATH

DON'T LITTER
OR BIRDS
WILL
THROW
UP

Find me. Where am I?

I'm a gum tree and I'm somewhere on the Eucalypt Lawn. Here's a picture clue to help you.

Can you find me too?

...and me?

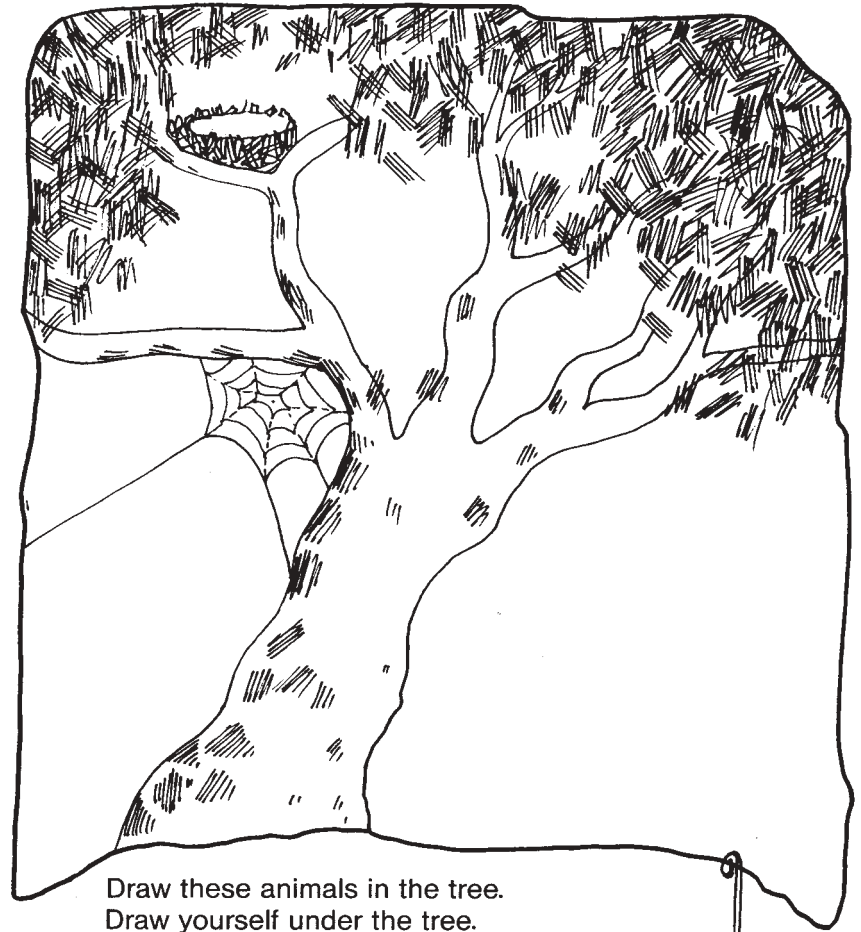

Eucalypt Treasure Hunt

- Collect some gum leaves that are different in shapes and colours. You might like to take them home and trace their outlines.
- Find the biggest tree.
- Find a tree for a magic swing.
- Look carefully and see if you can find a nesting hollow.

Take home, draw and colour

Home Sweet Home

Choose a favourite gum tree nearby. Find some homes for animals on your favourite gum tree. Later draw them on your tree and colour the picture.

Draw these animals in the tree.
Draw yourself under the tree.
